REFERENCE: A. E204-30351, 22 May 1956  
B. E204-3799, 23 May 1956  
C. E204-21572, 7 Jun 1955

DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCES/METHODS/EXEMPTION 3820  
NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

Action Required: See Paragraph 2 below:

1. References A and B which arrived in transit, indicate general agreement between Field and Headquarters concerning the necessary revisions for the Project Outline. While Headquarters is prepared to draft some of the suggested changes and/or additions we would appreciate receiving from you suggested amendments for some other paragraphs, the material for which can be more accurately reported from BCB, or the wording of which we would like to coordinate more closely with your views.
2. We therefore suggest the following:
  - a. Headquarters will bring up to date paragraph 3 a of Reference C. Please note that we will use E204-30351, 5 March 1956, as the basis for DILEMM headquarters personnel strength and will use "approximately 80" as a total figure of co-workers. Is the last sentence of this paragraph, referring to the turn-over of persons to GART/CASTORIA or REDDAP, still valid?
  - b. BCB draft the wording for the added sub-paragraph of paragraph 5 a, Reference C (as suggested in paragraph 1 A (2) of Reference A and paragraph 3 b of Reference B).
  - c. Please inform us whether in your opinion the ANVIRILL support (see paragraph 5 a (b) and 7 a (1) of Reference C) is still in effect and should be included in the revised Project Outline.
  - d. Paragraph 5 c of Reference C will be revised by us and brought up to date.

- e. We would like to have your opinion concerning the phrasing of a statement on funding cover (see Paragraph 3 d of Reference B).
- f. As indicated in Paragraph 3 e of Reference B we would like DCS to revise Paragraph 7 a (2), Reference C.
- g. All necessary description and mentioning of the "Commission" (see paragraphs 3 f and 3 i, Reference B and paragraph 1 A (6) of Reference A) will be worked out by Headquarters.
- h. Paragraph 11 b of Reference C will be brought up to date by Headquarters in the light of the written contracts now in effect.
- i. Paragraphs 11 e and 11 f of Reference C will be considerably shortened at Headquarters and the past emphasis on administrative handling will be brought into proper focus.
- j. Please advise whether a separation from SYLLIN of co-workers and visitors with high KUTSCH potential for direct KIRK exploitation is planned similar to the system now being implemented in [ ] (see paragraph 3 X of Reference B). If affirmative we will add an appropriate sentence to the KUTSCH Annex.
- k. All necessary changes of the Administrative Plan, if any, will be handled at Headquarters.
- l. In view of the rather limited time available for the drafting here at Headquarters we would appreciate an early reply.
